

JOIN THE WINNING TEAM!

Firstbeat is the leading provider of physiological analytics for sports and well-being. We transform heartbeat data into personalized information on exercise, stress and recovery. Hundreds of elite sports teams, wellness professionals, and millions of consumers worldwide trust Firstbeat to enhance performance and well-being.

We are a growing technology company with customers in more than 40 different countries. Our consumer product partners include leading brands such as Garmin, Samsung, Suunto and Microsoft. Join us to improve the wellbeing and lives of millions of people around the world!

KEY ACCOUNT MANAGER (FRANCE) FOR PROFESSIONAL SPORTS

YOUR TASKS:

- Convince sports teams, training centers and research institutes with your sales and product demonstrations
- Work closely with coaches and Firstbeat partners in the professional sports field and provide support for optimal performance
- Assist in global marketing activities as part of our dynamic sales & marketing team

WE EXPECT:

- Fluent skills in French
- Educational background in sports sciences or a related field
- Ability to speak the coaches' language in a variety of sports
- Customer-oriented approach and passion to work in the professional sports sector
- Ability to travel
- A team player with high goals for personal achievement

WE OFFER:

- Full-time vacancy (a trainee position is also possible)
- A chance to work with elite sports teams and learn about professional sports at the highest level
- An opportunity to join a growing, international tech company
- A winning international team and great atmosphere

Please provide your free-form application and Curriculum Vitae to Veli-Pekka Kurunmäki (sports@firstbeat.com) by 28th of February 2016.
